

Opportunities for Pilgrimage:

Groups:

- All pilgrimage groups are encouraged to travel with a Priest or Deacon to celebrate the sacraments, lead reflections, adoration, etc.
- We ask that groups of 10+ pilgrims let us know in advance of their visit so we can best prepare for their pilgrimage.

1. Pilgrimage only

- a. Pilgrims groups have the option to visit the church and cemeteries during the established open hours at no cost. Their visit includes access to the church, attending Mass (when applicable), and self-guided tours of the historic cemeteries. There is no charge for this.
- b. Pilgrims interested in visiting the church and cemeteries outside the established open hours have the opportunity to have the church open for a 2-hour time period based on availability. The cost for this is a \$250 flat fee, which allows for

the necessary staffing and operations to facilitate the group's visit. Contact us by emailing retreat@heritagega.org

2. Day Retreat + Pilgrimage

- a. Pilgrims who wish to extend their pilgrimage visit can coordinate a day of reflection and continued prayer at the Retreat. The cost is \$75/person, and it includes access until 3 p.m. to the Retreat, a 200-acre sanctuary with prayer gardens, walking trails, sacred art, and fellowship spaces. The rate also includes a private meeting space, snack and beverage service in the meeting space, and a lunch buffet.
- b. Field Trip rates are available for groups with the majority of guests ages 5 - 18.
- c. The \$250 flat fee to open the church will not be in effect if a group coordinates a day visit to the Retreat.
