

Opportunities for Pilgrimage:

Individuals

- Individual pilgrims are invited to visit the church and cemeteries during the established open hours at no cost. Their visit includes access to the church, attending Mass (when applicable), and self-guided tours of the historic cemeteries. There is no charge for this.
- Pilgrims can extend their visit at Heritage with an overnight stay at the Retreat based on availability. We recommend spending the night on Tuesday and attending Mass at the church on Wednesday morning. Another option would be a weekend stay from Friday - Sunday which would allow for visiting the church on Saturday for personal prayer and on Sunday for Mass after checking out of the cottage.
- Overnight accommodations can be booked by visiting the website www.heritagega.org/book and clicking selecting "Book an Overnight Stay at Heritage"
